

Internet Privacy Statement

YOUR PRIVACY IS OUR PROMISE

This privacy statement discloses the privacy practices for Aristocrat Business Consulting - ABC Coaching (ABC).

Information Collection and Use

ABC is the sole owner of the information collected on this site. We will not sell, share, or rent this information to others in ways different from what is disclosed in this statement.

Links

This Web site contains links to other sites. Please be aware that ABC is not responsible for the privacy practices of these other sites. We encourage Web users to always read the privacy statement of any site that collects personally identifiable information. This privacy statement applies solely to information collected by ABC Web sites.

Security

Our Web sites are designed with numerous precautions to protect users' information. Customer information is appropriately protected in-house as well as online.

While on a secure page, such as an order form, the lock icon at the bottom of a Web becomes locked, rather than open (or unlocked) as when the user is simply "surfing" the Web.

In addition, access to users' information is restricted within our offices. Only employees who need the information to perform a specific job are granted access to personally identifiable information. All employees are kept up-to-date on our security and privacy practices. Finally, the servers on which we store personally identifiable information are kept in a secure environment.

For questions about our privacy policy, send an email to: abc@abccoaching.biz.
